LADIES

Head: Measure around the top of the head where a cap would sit, just above the eyebrow.

Bust: Measure around the fullest part of your bust, under your arms and around your shoulder blades. Ensure the tape is level at the back and is a firm fit.

Waist: Measure around your natural waistline, keeping the tape firm but not tight.

Hips: Standing straight, measure around the fullest part of your hips, located approximately 20cm below your natural waistline.

MEN

Head: Measure around the top of the head where a cap would sit, just above the eyebrow.

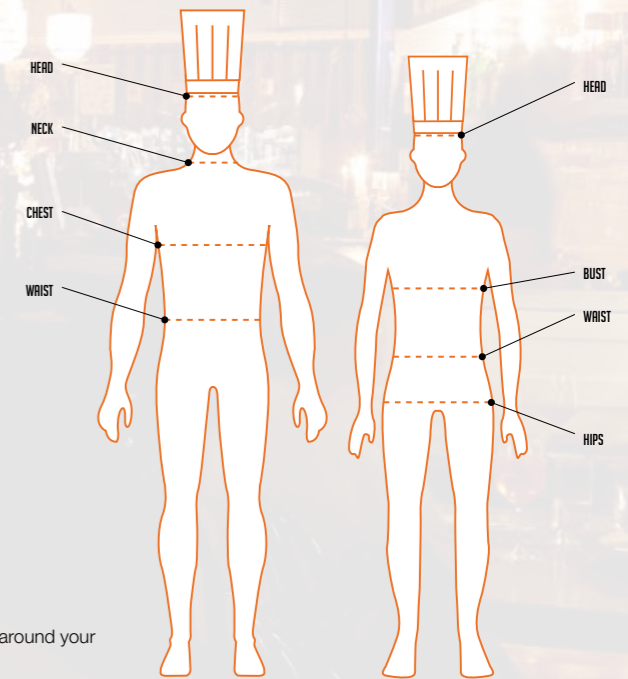

Neck: Measure around the fullest part of your neck, where a shirt collar would normally sit. Ensure tape is firm but not tight.

Chest: Measure around the fullest part of your chest, under your arms and around your shoulder blades. Ensure the tape is level at the back and is a firm fit.

Waist: Measure around your waist at the position you would normally wear your trousers, keeping the tape firm but not tight.

FOOTWEAR

1. Take a blank piece of paper and place flat on the floor.
2. Stand on the piece of paper with your shoes and socks off.
3. Place a mark on the paper at the heel and at the tip of the longest toe.
4. Measure this distance and visit clubchef.com.au and select **size chart** to establish your size.
